MESSAGE TELECOMMUNICATIONS SERVICE

1. General

1.1 Application of Tariff

1.1.A. This tariff contains the regulations and rates applicable to the provision of Message Telecommunications Service and Operator Services, hereinafter referred to as "Service", by Oxford Long Distance, hereafter referred to as the "Company", from its points of presence in the State of Maine to domestic points, as specified herein. Service is furnished subject to the availability of facilities and subject to transmission, atmospheric and like conditions.

1.1.B. The provision of such Service by the Company as set forth in this Tariff does not constitute a joint undertaking with the Customer for the furnishing of any Service.

1.2 Definitions

Certain terms used throughout this Tariff are defined as follows:

1.2.A. Access Code

A sequence of numbers that, when dialed, connect the caller to the Provider or Operator Services associated with that sequence.

MESSAGE TELECOMMUNICATIONS SERVICE

1. General (Cont'd)

1.2 Definitions (Cont'd)

1.2.B Aggregator

Any person that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for Interstate telephone calls using a Provider of Operator Services.

1.2.C. Application for Service

A standard order form which includes all pertinent billing, technical, and other descriptive information which will enable the Company to provide the Service as required.

Application can be made orally or in writing. In an effort to comply with the Federal Trade Commission's Red Flag Rules which required the Company to create an Identity Theft Prevention Program, the Company will require that the applicant provide their social security number prior to obtaining service. Oxford will then conduct a social security number verification or credit check to verify the customer's identity.

2. Rules and Regulations – Message Telecommunications Services

2.1. Undertaking of the Company

2.1.A. Scope

The Company is a carrier providing Interstate domestic communications services to Customers for their direct transmission of voice, data and other types of telecommunications within the United States as described in this Tariff.

2.1.B. Limitations

1. The services provided pursuant to this tariff are offered subject to the availability of facilities and the other provisions of this Tariff.
2. The Company does not undertake to transmit communications or messages, but rather furnishes facilities, Service and equipment for such transmissions by the Customer.
3. The Company retains the right to deny Service to any Customer which fails to comply with the rules and regulations of this Tariff, or other applicable rules, regulations or laws.

MESSAGE TELECOMMUNICATIONS SERVICE

2. Rules and Regulations – Message Telecommunications Services (Cont'd)

2.2. Obligations of the Customer

- 2.2.A. All Customers assume general responsibilities in connection with the provision and use of the Company's Service. General responsibilities are described in this section. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the Customer assumes the additional responsibilities as set forth in Section 2.2, herein.
- 2.2.B. The Customer is responsible for the payment of all charges for any and all Services or facilities provided by the Company to the Customer.
- 2.2.C. Subject to availability, the Customer may use specific codes to identify the users groups on its account and to allocate the cost of its service accordingly. The numerical composition of such codes shall be set forth by the Company to assure compatibility with the Company's accounting and automation systems and to avoid duplication of such specific codes.
- 2.2.D. The Company reserves the right to discontinue the use of any code provided to the Customer and to substitute another code for such Customer's use.
- 2.2.E. The Customer shall indemnify and save harmless the Company from and against all loss, liability, damage and expense, including reasonable counsel fees, due to claims for libel, slander, or infringement of copyright or trademark in connection with any material.

2.2.E. (Cont'd)

transmitted by the Customer using the Company's Services; and any other claim resulting from any act or omission of the Customer to the use of the Company's facilities.

2.2.F. Nothing contained herein, or in any other provision of this Tariff, or in any marketing materials issued by the Company shall give any Customer or person any ownership interest or proprietary right in any particular code issued by Company; provided, however, that a Customer that continues to subscribe to Company's Services will be provided a replacement code in the event such Customer's initial code is canceled.

2.2.G. The Customer shall reimburse the Company for damages to the Company's facilities caused by any negligence or willful act or acts on the part of the Customer.

2.2.H. The Customer shall pay and hold the Company harmless from the payment of all charges for service ordered by the Customer from the Local Exchange Carriers or other entities for telecommunications services and/or facilities connecting the Customer and the Company.

2. Rules and Regulations – Message Telecommunications Services (Cont'd)

2.2. Obligations of the Customer (Cont'd)

- 2.2.I In the event a suit is brought by the Company, or an attorney is retained by the Company to collect any bill or enforce the terms of this Tariff against a Customer, that Customer shall be responsible for payment of all reasonable attorney's fees, court costs, costs of investigation and any and all other related costs and expenses incurred by the Company in connection therewith.
- 2.2.J. The Customer understands that the Services are furnished subject to the condition that there will be no abuse, fraudulent and/or illegal use thereof. Such activity includes, but is not limited to:
- 2.2.J.1. Using the Service for any purpose which is in violation of any law.
- 2.2.J.2. Obtaining or attempting to obtain Services through any scheme, false representation and/or use of any fraudulent means or devices whatsoever with the intent to avoid payment, in whole or in part, of charges for Services, or assisting any other person or firm in such regard.
- 2.2.J.3. Attempting to, or actually obtaining, accessing, altering, or interfering with the communications and/or information by rearranging, tampering with or making any connection with any facilities of the Company or assisting any other person or firm in such regard.

MESSAGE TELECOMMUNICATIONS SERVICE

2. **Rules and Regulations – Message Telecommunications Services (Cont'd)**

2.2. Obligations of the Customer (Cont'd)

2.2.J. The Customer understands that the Services are furnished subject to the condition that there will be no abuse, fraudulent and/or illegal use thereof. Such activity includes, but is not limited to:

2.2.J.4. Using the Services in a manner that interferes unreasonably with the use of Service by one or more other Customers.

2.2.J.5. Using the Service to convey information deemed to be obscene, salacious, or prurient, to impersonate another person with fraudulent or malicious intent, to call another person or persons so frequently, at such times, or in such a manner as to annoy, abuse, or harass, or to convey information of a nature or in a manner that renders such conveyance unlawful.

2.2.K. The Customer, not the Company, shall be responsible for compliance with FCC Rules, 47 C.F.R. Part 68, and for all maintenance of such equipment and/or facilities.

2.3. Liabilities of the Company

2.3.A. Except as stated in this Section 2.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this Tariff.

MESSAGE TELECOMMUNICATIONS SERVICE

2. **Rules and Regulations – Message Telecommunications Services (Cont'd)**

2.3. Liabilities of the Company (Cont'd)

- 2.3.B. The liability of the Company for damages resulting in whole or in part from or arising in connection with the furnishing of Service under this Tariff, including, but not limited to, mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations shall not exceed an amount equal to the charges under this Tariff applicable to the specific call (or portion thereof) that was affected. No other liability shall attach to the Company.
- 2.3.C. The Company shall not be liable for any failure of performance hereunder due to causes beyond its control, including, but not limited to: (1) acts of God, fires, flood or other catastrophes; (2) any law, order, regulation, directive, action or request of the United States Government, or any other government, including state and local governments having jurisdiction over the Company, or of any department, agency, commission, bureau, corporation or other instrumentality of any one or more of said governments, or of any civil or military authority; or (3) national emergencies, insurrections, riots, wars or other labor difficulties.
- 2.3.D. The Company shall not be liable for any act or omission of any other entity furnishing facilities, equipment, or services used by a Customer, with the Company's Services. In addition, the Company shall not be liable for any damages or losses due to the failure or negligence of any Customer or due to the failure of Customer Provided Equipment, facilities or services.

MESSAGE TELECOMMUNICATIONS SERVICE

2. **Rules and Regulations – Message Telecommunications Services (Cont'd)**

2.4. Service Orders

The Customer must place an Application for Service with the Company to initiate, cancel or change the Services provided pursuant to this Tariff. All Applications for Services must be in writing and provide, at a minimum, the following information:

- 2.4.A. Customer's name(s), telephone number(s) and address(s). In the case of a corporation or partnership, a designated officer or agent shall be named as the contact person for such corporation or partnership.
- 2.4.B. Name(s), address(es) and telephone number(s) of person(s) to whom notices from the Company to the Customer shall be addressed, if different from (A) above.
- 2.4.C. The amount of toll service usage the Customer was billed for the three (3) months immediately preceding the request for Service if such information is applicable and available.

2.5. Charges and Payments for Service or Facilities

2.5.A. Deposits

2.5.A.1. The Company may, in order to safeguard its interests, require a Customer to make a suitable deposit or provide a surety bond or letter of credit in the amount of the required deposit as a guarantee of the payment of charges. The Company shall have the right to require the Customer to make a deposit prior to or at any time after provision of any Service, not to exceed three (3) months estimated charges. The Company may increase the amount of the deposit to reflect increases to the Customer's annual bill. The Customer will receive a receipt for the deposit.

2.5.A.2. Any deposit as referred to in this Section shall be held by the Company to secure the payment of the Customer's bill. At the Company's option, the deposit may be refunded or credited to the Customer at any time prior to the termination of Service.

2.5.A.3. Interest will be paid by the Company on all sums held on deposit at the rate established annually by the Maine Public Utilities Commission for customer deposits. The interest will be accrued for the period during which the deposit is held by the Company.

2.5. Charges and Payments for Service or Facilities (Cont'd)

2.5.A. Deposits (Cont'd)

2.5.A.4. The fact that a deposit is made does not relieve the Customer from making advance payments or from complying with the Company's regulations for the payment of bills in accordance with the terms herein and does not constitute a waiver or modification of the regulations of the Company providing for the discontinuance of Service for nonpayment of any sums due the Company for Service rendered.

2.5.A.5. Upon termination of Service, and assuming deposits of the Customer are not applied as indicated in Section 2.5.A.2, the deposit will be credited to the Customer's account and any credit balance will be refunded after all amounts due the Company have been paid.

2.5.B. Description of Payment and Billing Periods

2.5.B.1. Service is provided and billed on a monthly basis. Service continues to be provided and billed on a monthly basis until canceled by the Customer through notice given to the Company.

2. **Rules and Regulations – Message Telecommunications Services (Cont'd)**

2.5. Charges and Payments for Service or Facilities (Cont'd)

2.5.B. Description of Payment and Billing Periods (Cont'd)

2.5.B.2. When billing functions are performed by a Local Exchange Carrier (LEC), commercial credit card company or others, the payment conditions and requirements of such LECs apply, including any applicable interest.

2.5.B.3. In the event a Local Exchange Carrier, commercial credit card company or others ceases efforts to collect any amounts associated with the Company's charges, the Company may bill the Customer or the called party directly, and may utilize its own billing and collection procedures which shall be consistent with all applicable statutes, rules and regulations.

2.5.C. Taxes

2.5.C.1. Sales tax is covered by state statute and other applicable taxes may be covered by state or federal statutes. Such taxes may be included on Customer bills in accordance with any applicable rules of the state or federal regulatory authority.

2. **Rules and Regulations – Message Telecommunications Services (Cont'd)**

2.5. Charges and Payments for Service or Facilities (Cont'd)

2.5.C. Taxes (Cont'd)

2.5.C.2. In addition to all recurring, non-recurring, minimum, usage, surcharges or special charges, the Customer identified in this Tariff shall also be responsible for and shall pay all applicable federal, state and local taxes or surcharges, including sales, use, excise, gross earnings, and gross income taxes. All such taxes shall be separately shown and charged on bills rendered by Company or its billing agent. Sales and use taxes shall be applied to all charges and shall also be applied to all applicable gross earnings, gross revenue and gross income taxes.

2.5.D. Payment and Late Payment Charge

2.5.D.1. Payment will be due as specified on the Customer bill. Commencing after that due date, a late charge of up to the highest interest rate allowable by law will be applied to all amounts past due.

2.5.D.2. Collection procedures and the requirement for a deposit are unaffected by the application of a late payment charge. The late payment charge does not apply

2.5.G. Credit Allowances/Service Interruptions

2.5.G.1. Credit for failure of Service will be allowed only when failure is caused by or occurs in the Company's facilities or equipment owned, provided and billed for by the Company. A credit allowance is not applicable for any period during which Customer cannot utilize the Service, except for such period where the Service is interrupted by the Company for access to its facilities for the purposes of investigating and clearing troubles and/or maintenance.

2.5.G.2. Credit allowances for failure of Service or equipment starts when the Customer notifies the Company of the failure and ceases when the operation has been restored and an attempt has been made to notify the Customer by the Company.

2.5.G.3. The Customer shall notify the Company of failures of Service or equipment and make reasonable attempts to ascertain that the failure is not caused by Customer Provided Equipment or Customer provided facilities, any act, or omission of the Customer, or in wiring or equipment connected to the Customer's terminal.

2.5.G.4. Only those portions of the Service or equipment operation disabled will be credited.

2.5.G.5. Any credit provided to the Customer under this Tariff shall be determined in accordance with the provisions of Section 2.5.H.

2.5.H. Service Interruption Measurement

2.5.H.1. In the event of an interruption of Service that exceeds the minimum requirements set forth in this paragraph, the Company shall make a credit allowance at the Customer's request for a pro rata adjustment of all Service charges billed by the Company for Services rendered inoperative by the interruption. The credit allowance will be computed by dividing the duration of the service interruption measured in twenty-four (24) hour days, from the time the interruption is reported to the Company, by a standard thirty (30) day month, and then multiplying the result by the Company's fixed monthly charges for each interrupted Service.

A period of time less than twenty-four (24) hours shall not be credited, but an additional period of twelve (12) hours or more shall be considered an additional day. In no case shall the credit exceed the total monthly charges. No adjustments will be made for periods

of non-continuous interruptions, and no other liability shall attach to the Company in consideration of such interruption to Service.

2.5.H.2. A credit allowance will not be given for interruptions caused by the negligence or willful act of the Customer, or interruptions caused by failure of equipment or service not provided by the Company.

2.5.I. Federal Universal Charge

A surcharge for the Federal Universal Service Charge (FUSC) applies to all inter-state services billed to a retail customer. The surcharge shall be equal to the FUSC rates established quarterly by the Administrator of the FUSC.

2.6. Termination or Denial of Service by Company

2.6.A. The Company may, immediately and without notice to the Customer, and without liability of any nature, temporarily deny, terminate, or suspend Service to any Customer:

2.6.A.1. In the event such Customer or its agent: (a) willfully damages the Company equipment, interferes with use of the Company's Service by other Customers of the Company; (b) unreasonably places capacity demands upon the Company's facilities or Service; or (c) violates any statute or provision of law, or any rule or regulation of any state or federal regulatory agency relating to communications; or (d) otherwise fails to comply with the provisions of this Tariff or the Oxford Networks Acceptable Use Policy that can be found at www.oxfordnetworks.com/aup.asp or applicable law; or

2.7. Special Services

2.7.A. General

For the purpose of this Tariff, Special Services are deemed to be any Service requested by the Customer and provided by the Company for which there is no prescribed rate in this Tariff. Special Services charges will be developed on an individual case basis (ICB) and may be established by contract between the Company and the Customer. Such contract or ICB rates will be filed with the Commission for its approval if required by applicable rules and regulations.

2.7.B. When Applicable

Special Services rates apply in the following circumstances:

- 2.7.B.1. If at the request of the Customer, the Company obtains facilities not normally used by the Company to provide Service to its Customer;
- 2.7.B.2. If at the request of the Customer, the Company provides technical assistance not normally required to provide Service;
- 2.7.B.3. Where special signaling, conditioning, equipment, or other features are required to make Customer Provided Equipment compatible with the Company's Service;

2.7.B.4. When, at the specific request of the Customer, installation by the Company or its agent and/or routine maintenance is performed outside of the regular business hours.

2.7.B.5. If installation and/or routine maintenance is extended beyond normal business hours at the request of the Customer and these circumstances are not the fault of the Company, Special Service charges may apply. Such circumstances include, but are not limited to, stand-by in excess of one-hour, weekend, holiday or night time cut-over, and additional installation testing in excess of the normal testing required to provide Service.

2.7.C. Cancellation

If a Customer orders Service requiring special facilities dedicated to the Customer's use and then cancels its order before the Service begins, before completion of any minimum Service periods associated with such special facilities ordered by the Company or before completion of some other period mutually agreed upon by the Customer and the Company, a charge will be made to the Customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by the Company and not fully reimbursed by installation and monthly charges. on such an order, any construction has either begun or been completed, but no such Service provided, the non-recoverable cost of such construction shall be borne by the Customer.

2.8. Special Pricing Arrangements

Customized Service packages and competitive pricing arrangements at negotiated rates may be furnished on a case-by-case basis in response to requests by Customers for proposals or for competitive bids. Special Pricing Arrangements offered under this Tariff will be provided to the Customer pursuant to contract. Unless otherwise specified, the regulations for such arrangements are in addition to the applicable regulations and prices in other sections of the Tariff. Specialized rates or charges will be made available to similarly situated Customers on a non-discriminatory basis. Such contracts will be filed with the Commission for approval if required by applicable rule or regulation.

2.9. Special Construction

All rates and charges quoted in this Tariff provide for the furnishing of a Service when suitable facilities are available or where the construction of the necessary facilities does not involve unusual costs. When the revenue to be derived from the Service does not warrant the Company assuming the unusual costs of providing the necessary construction, the Customer may be required to pay all or a portion of such costs and to contract for the service for a sufficient period to warrant the construction, depending upon the circumstances in each case. The Company's charges for such special construction shall follow the same guidelines for establishing charges for Special Services as described in Section 2.8 of this Tariff.

2.10. Inspection, Testing and Adjustment

- 2.10.A. The Company may, upon reasonable notice, make such tests and inspections as may be necessary to investigate the installation, operation or maintenance of the Customer's or the Company's equipment or connecting facilities. The Company may interrupt Service at any time, without penalty or liability to itself, where necessary to prevent improper use of Service, equipment, facilities, or connections.
- 2.10.B. Upon reasonable notice, the facilities and equipment provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary for its maintenance in a condition satisfactory to the Company. No interruption allowance will be granted for the time during which such tests and adjustments are made, unless such interruption exceeds twenty-four (24) hours in length.

MESSAGE TELECOMMUNICATIONS SERVICE

3. **General Classification and Description of the Company's Service – Message Telecommunications Services (Cont'd)**

3.2. Measurements (Cont'd)

3.2.B. Availability of Service

The Service is available, where technically feasible, at the rates listed in Sections 4 and 5, through subscription to any of the message telecommunication service offerings available from the Company. Each of these offerings utilize the same rate schedules but have different rates and billing increments for each of the rate schedules as indicated in the rate schedules.

3.2.C. Holiday Rates

During the following officially recognized holidays, Evenings Rates will be applicable during all hours, except for hours when a lower rate (i.e., Night/Weekend) is applicable.

New Year's Day*	Labor Day
Memorial Day**	Thanksgiving Day
Independence Day*	Christmas Day*
Martin Luther King Day**	
Presidents' Day**	

* When this holiday falls on a Sunday, the Holiday calling rate applies to calls placed on the following Monday. When this holiday falls on a Saturday, the Holiday calling rate applies to calls placed on the preceding Friday.

** Applies to Federally observed day only.

MESSAGE TELECOMMUNICATIONS SERVICE

3. **General Classification and Description of the Company's Service – Message Telecommunications Services (Cont'd)**

3.3 Timing of Calls

3.3.A. Unless otherwise indicated in this Tariff, calls are timed by the Company in six (6) second increments unless otherwise stipulated by the Company in this Tariff. "Ring-busy" and "ring-no-answer" calls will not knowingly be charged to the Customer and if charged in error, will be credited by the Company to the Customer. Timing begins at the "starting event" and ends at the "terminating event," unless otherwise specified. Time between the starting event and the terminating event is the call duration. The minimum call duration for a completed call is thirty (30) seconds, unless otherwise specified. (I)

3.3.B. The starting event occurs when the Company's terminal experiences an "Incoming Signaling Protocol Successful," i.e., upon the seizure of an inbound trunk.

3.3.C. The terminating event occurs when the Company's terminal receives a signal from the Local Exchange Carrier that either the calling party or the called party has hung up.

3.3.D. There shall be no charge for unanswered calls. Upon receiving reasonable and adequate notice of billing from a Customer for any such call, the Company may issue a credit in an amount equal to the charge for the call. Calls which are in progress longer than one minute will be presumed to have been answered.

MESSAGE TELECOMMUNICATIONS SERVICE

3. **General Classification and Description of the Company's Service – Message Telecommunications Services (Cont'd)**

3.3 Timing of Calls (Cont'd)

3.3.E. Message Telecommunications Service rates are quoted in terms of initial and additional periods. The initial period is the first stated timed increment or any fraction thereof after connection is made. The additional period is each stated timed increment or any fraction thereof after the initial period. Timing increments for billing are shown in rate schedules in of this tariff.

3.3.F. The time of day at the calling party rate center determines what Time-of-Day rate period applies.

3.4. Computation of Distance

Unless otherwise stated, charges for calls in which mileage bands apply will be rated using the distance between the originating and terminating point of the call.

3.4.A. All calls are rated on the basis of airline mileage locations of the caller and the called party, regardless of the call's routing.

3.4.B. Airline mileage is obtained by using the "V" and "H" coordinates assigned to each point. To determine the airlines distance between any two cities, the airline mileage is determined as follows:

3.4.B.1. Obtain the "V" and "H" coordinates for each city.

3.4.B.2. Obtain the difference between the "V" coordinates of each of the cities.
Obtain the difference between the "H" coordinates.

MESSAGE TELECOMMUNICATIONS SERVICE

3. **General Classification and Description of the Company's Service – Message Telecommunications Services (Cont'd)**

3.4 Computation of Distance (Cont'd)

3.4.B (Cont'd)

3.4.B.3. Square each difference obtained in step 2, above.

3.4.B.4. Add the square of the "V" difference and the "H" difference obtained in step 3, above.

3.4.B.5. Divide the number obtained in step 4 by 10. Round to the next higher whole number if any fraction is obtained.

3.4.B.6. Obtain the square root of the whole number obtained in step 5 above. Round to the next higher whole number if any fraction is obtained. This is the airline mileage.

3.5. Method of Applying Rates

3.5.A. Calls that begin in one rate period and terminate in another will be billed for the entire call duration at the rate applicable at the commencement of the call.

3.5.B. Unless specified otherwise in this Tariff, the duration of each call for billing purposes will be rounded off to the nearest higher billing increment.

3.5.C Any rate application that results in a charge expressed in fractional cents will be rounded up to the nearest whole cent.

MESSAGE TELECOMMUNICATIONS SERVICE

3. **General Classification and Description of the Company's Service – Message Telecommunications Services (Cont'd)**

3.6. Promotional Discounts

The Company may from time to time offer promotional discounts. Such discounts will be for a specified period of time, will not exceed published rates, and will be offered to all qualifying Customers on a non-discriminatory basis, under any rules prescribed by the Commission.

3.7. Dialed Message Telecommunications Services

3.7.A. Dialed Message Telecommunications Services are measured use, full time services and are offered on a monthly basis, utilizing interstate communications facilities. When appropriate access arrangements exist, these switched services are available on a presubscription (equal access) basis. Otherwise, the Services require that a Customer access the Company's network via an alternative access code arrangement such as "950-XXXX" plus the Customer's security code, a toll-free telephone number with the Customer's security code, or via "1-0-1XXXX" code with Customer security code.

3.7.B. Depending upon the service option chosen by the Customer, the charges for the use of such domestic interstate communications facilities may be based upon the time of day, the total minutes of use and/or the distance of each call.

3.7.C. All Customers shall be charged the rates identified in Sections 4 and 5.
